

Academic Overview

The Ascension St. Vincent College operates on a semester calendar. Each semester is 20 weeks in length, except for an 8-week summer semester. During each semester, students will complete academic and clinical courses taught during that semester. The length of each program will be described in the appropriate program section. Students must enroll in all courses taught during the semester; part-time enrollment is not permissible. Students are given course syllabi at the beginning of each semester for each course taught during that semester. Course syllabi detail content taught in the course, course expectations, grading criteria, and a course calendar.
