

Ascension Via Christi PGY1 Pharmacy Residents

Vy Lam, PharmD

Pharmacy School: University of Kansas - School of Pharmacy-Wichita

Hometown: Wichita, KS

Clinical Interests: Ambulatory Care

Hobbies: Reading, baking, listening to music, watching movies

Research Project: Comparison on the Incidence of Hypokalemia Between Two Diabetic Ketoacidosis (DKA) Protocols

Fun Fact: I am a big foodie and enjoy trying foods from different ethnicities. After residency programs, I like to travel around the world to learn more about the foods and their cultures.

Jonathan Ortiz, PharmD

Pharmacy School: KU School of Pharmacy, Wichita

Hometown: Wichita, Kansas

Clinical Interests: Speciality Pharmacy, Ambulatory Care, Nuclear Pharmacy, Pediatrics, Emergency Medicine

Hobbies: Soccer, DIY projects

Research Project: Effect of Insulin Dose on Hypoglycemia in High-Risk Patients Receiving Hyperkalemia Protocol

Fun Fact: I enjoy working on cars.

Briana Rea, PharmD

Pharmacy School: Keck Graduate Institute in Claremont, CA

Hometown: Wichita, KS

Clinical Interests: Behavioral Health and Critical Care

Hobbies: Reading and trivia on Wednesdays

Research Project: Evaluating Antibiotic Prescribing at Hospital Discharge
