

**ASCENSION PROVIDENCE HOSPITAL  
SCHOOL OF RADIOLOGIC TECHNOLOGY  
PAYMENT SCHEDULE 3.08.23**

As an accepted student, you have options regarding how you may wish to pay the balance of your tuition.

1. You may pay the entire amount all at once (in May).

OR

2. You **must** pay at a minimum, \$2000.00 by date stipulated in your acceptance letter (in May), with the balance being paid over the following timeline:

In September 2023 (Sept.12, 2022): **\$3,000.00** will be due

The balance of \$2,000.00 should be paid over the course of your junior year; or at a minimum, by the first day of your senior year in full. (Sept. 10, 2024).

OR

3. You must pay at a minimum, \$2,000.00 by date stipulated in your acceptance letter (in May), with the balance being paid over the following timeline:

At the September (Sept. 11, 2023) start of your first year: Pay the full balance of \$5,000.00.

OR

4. We are partnered with a lending company called Meritize, (go to Meritize website to fully check it out); they will give you a loan if you qualify. If you use this option, you would still need to send in the \$2,000 matriculation fee by the May deadline, or submit proof of the secured loan through Meritize.

OR

5. If you are a CUAA student, your tuition will be paid through CUAA. You do not need to send in any personal funds to the school. Unless you are not using your access to CUAA's financial aid.

You will be given a book list; with the ISBN's. It is preferred that your purchase the edition listed to keep you and your instructors on the same page (literally). However, if you wish to buy an earlier edition it will be your responsibility to maintain and decipher the differences in the editions. Senior students are often willing to sell some of their textbooks at the end of their time here. The average cost of books is approximately \$900.00-\$1100.00 but there are often ways to purchase them on-line to get them at a much cheaper price point. E-books are acceptable.
