

Ascension St. John Hospital
School of Radiologic Technology

Dear Applicant:

Thank you for your inquiry into our Radiologic Technology program at Ascension St. John Hospital. To be considered for admission to the class beginning in September of 2025, completed application materials (this includes **all items** listed in the attached “Admission Requirements”) must be compiled by you, sent to the Program Director in **one envelope packet** and must be received by **February 1, 2025**. Separate mailings of application materials will not be accepted. **The applicant is responsible for ensuring that the application packet is complete.**

A **non-refundable \$40.00 application fee** must be included with your application. Check or money orders should be made payable to Ascension St. John Hospital.

Three official professional letters of recommendation are also required. These may be from school counselors, teachers, employers, etc. Letters of recommendation cannot be accepted from relatives, friends, or neighbors. **Official** high school and all college transcripts must also be included in your **one envelope packet**.

ACT scores are mandatory, regardless of your education status or age. If you have not taken the ACT, you must register at your local high school or college as soon as possible or online at www.actstudent.org. SAT scores will also be evaluated (minimum requirement equivalent to the ACT score 18).

A minimum Associate degree is required to apply to our program OR proof that you are enrolled in a college/university that we have an articulation agreement with. In addition, the following college courses (100 level or above) must be completed before February 1: Communications (English), Information Sciences (Computers), Algebra (not Introductory, Basic, or Pre.), Medical Terminology, and Anatomy & Physiology or Physical Science.

When all the required information is **received in one envelope packet** and all the above requirements are met, we may contact you in February to schedule an appointment for an interview.

An Admissions Committee is responsible for reviewing applications and selecting students. All qualified applicants are considered regardless of age, race, color, sexual orientation, gender identity, disability, height, weight, religion, genetic information, national origin, marital status, amnesty, and other legally protected status, or status as a covered, veteran in accordance with applicable state, federal and local laws. All accepted students will undergo criminal background checks, drug testing, and physical exam before admittance into the program at no cost to the student.

If accepted into our 24 consecutive month program, **tuition is \$6,000.00 (\$3,000.00 due each year)**. Students are responsible for their book expenses and online course fees (approximately \$1,500.00 total), a \$150/year record keeping fee, school supplies, and uniforms. We do not participate in Title IV Financial Aid.
